

CORONAVIRUS vs BUSINESS

Exclusive **FREE WEBINAR** Q&A session for CEOs/Leaders of mid-market businesses – focused on your **IT, SYSTEMS AND DIGITAL CAPABILITIES**

For many businesses, these are the focus areas:

- Effective business processes for home workers
- Increased cyber threat. Are you protected?
- Effectively managing changes to operations and supply chains
- Re-prioritising IT projects. Can you free up cash?
- Identifying new opportunities. How could you reinvent your business?
- Planning for return to the 'new normal'. What does this look like?

Join this Q&A and discussion lead by your questions.
